Publishing in Premier Journals

(Scopus, ABDC, Web of Science, UGC, Anna University Annexure listed Journals)

kctbs.ac.in

KCT Business School

KCT Business School (KCTBS) was established in 2005 as a part of Kumaraguru College of Technology. It envisions becoming the knowledge hive for managerial excellence, driven by the Core Values of Learning, Trust and Competence. Collaboration with industry is the foundation of the Business School. KCT Business School has highly qualified experienced faculty with an average experience of 16 years. KCTBS has strong connects with industry with mutual sharing of expertise. The top level executives from industry provide Mentorship to the governance, academic and corporate initiatives of the Business School. The Guest Lectures, Internships, Corporate Visits, etc increases the interaction with industry for mutual benefits. Business School regularly conducts Faculty development programme in varied domains like Research, Teaching pedagogy, outcome based education, financial modeling, conflict management & Negotiation skills, e-filing salary returns and many more.

The Programme

Educational institutions having high research and publications receive high visibility. Today institutions encourage academicians to do high end research work and publish them in premier journals. Faculty member are expected to publish quality research beyond teaching, which aids their teaching in a better and practical way. Institutions pays more attention to publication as this has been highly recognized by various rating and accreditation agencies across the globe. Research publications build credentials for individual faculties and quality enhancement for the institute as well. In reality, publications in premier journals is more demanding as one has to find the right journal, understanding the processes and satisfy the pre - requisites of that journal-all of these poses a big challenge.

This faculty development programme on 'Publishing in Premier Journals' is intended to support researchers in their quest for publishing their scholarly publications in Scopus, ABDC, Web of Science, UGC, Anna University Annexure listed Journals.

Program Objectives

- To augment participants' capability to identify the right journals as well as understand the important criteria involved in publishing of papers.
- To provide hands on training on how to write papers ready for publication.

Program Outcomes

On completion of the program, participants' will have

- Complete knowledge about the basic requirements of publishing in reputed journals in Scopus, Web of Science, Science Direct, IEEE, ABDC journals and Anna University Annexure Journals.
- Acquire valuable insight on preparing Journal ready papers which can significantly enhance the possibilities of publishing.

Pedagogy

The programme will be delivered through interactive lectures, discussions and participants are asked to bring their working papers to seek expert advice.

Programme Fee and Registration

Research scholars & KCT faculty is Rs.1000 (inclusive of GST)

Academicians of other institutes is Rs.1500 (inclusive of GST)

*Academicians - Group registrations (of 2 or more participants from the same institute) is Rs.1275 (inclusive of GST) covering the cost of kit, reading materials, lunch and tea during the programme. Spot registrations are also accepted with the filled in registration forms.

Payment shall be made in advance in the form of demand draft or cheque favoring "The Correspondent, Kumaraguru College of Technology" payable at Coimbatore.

Photocopies of the registration form can be used in case of multiple participants.

Programme Schedule

07th Dec 2017 - Day 1

Time	Session
09.00am to 10.00am	Registration
10.00am to 10.30am	Inauguration
10.30am to 11.30am	An overview of need for publishing Mr.Rajesh K. Shetty, Open Access Manager, Taylor and Francis
11.30am to 11.45am	Tea Break
11.45am to 01.00pm	Right Journals for Publishing Mr.Rajesh K. Shetty, Open Access Manager, Taylor and Francis
01:00 pm - 02:00 pm	Lunch Break
02.00pm to 03.00pm	Ethics in Publishing Mr.Rajesh K. Shetty, Open Access Manager, Taylor and Francis
03.00pm to 03.15pm	Tea Break
03.15pm to 04.15pm	Impact of publishing Dr.Shanthi, Assoc.Prof, Department of Fashion Technology, KCT

08th Dec 2017 - Day 2

Session (10.00am to 01.00pm)	Topics	Resource persons
<ul style="list-style-type: none"> Importance of collaborative research. Research conduct: use of research guidelines for preparation and submission of Manuscript. Hands on discussion with working papers brought by participants 	Engineering Domain	Dr.S.P.Anbuudayasankar, Associate Professor, Department of Mechanical Engineering, Amrita School of Engineering, Amrita Vishwa Vidyapeetham, Coimbatore
	Science Domain	Dr.T.G.Satheesh Babu, Associate Professor, Department of Sciences, Amrita Vishwa Vidyapeetham, Coimbatore.
	Management Domain	Prof.B.Arthi Gandhimathi, Chief Editor, PRJ publications, Director (Publications), IAEME Publications, Chennai.
Session (02.00pm to 05.00pm)	Topics	Resource persons
<ul style="list-style-type: none"> Research Misconduct: Research Design, Data Related. Claiming and denying authorship. Importance of Plagiarism check 	Engineering Domain	Dr.M.Elangovan, Professor, Department of Mechanical Engineering, Amrita School of Engineering, Amrita Vishwa Vidyapeetham, Coimbatore.
	Science Domain	Dr.R.Sakthivel, Professor, Department of Mathematics, Bharathiar University, Coimbatore.
	Management Domain	Prof.B.Arthi Gandhimathi, Chief Editor, PRJ publications, Director (Publications), IAEME Publications, Chennai.

Accommodation

Outstation participants who are in need of Accommodation can make use of facility inside the campus at a cost of Rs.365 inclusive of GST per day(inclusive of Food).

Who can participate?

Faculty members from Engineering, Science and Management Domain as well as research scholars.

Facilitators

Mr.Rajesh Shetty Open Access Manager—South Asia, represents Taylor and Francis Group, is based out of Delhi office. Rajesh handles open access promotion, advocacy and sales and in South Asia region. He started his career in 2003 with McGraw-Hill in the sales department. Over the last 13 years, he had the privilege of working with leading academic publishers like Tata McGraw-Hill, Pearson and Emerald Group Publishing in editorial and sales roles.

Mr.Rajesh Shetty

Dr. R. Shanthi Associate Professor in Department of Fashion Technology, Kumaraguru College of Technology. She has teaching experience of 18 years, industry experience of 10 years and entrepreneurial experience of 4 years. She is expert in proto sample development and sampling and has worked with many buyers in India and abroad. she has published 10 book chapters in Sustainability and Recycling; refereed journal publications 11 and around 60 publications in international and national conferences. She has received many awards to her credit. She spearheaded various institutional level ranking activities like NIRE, Outlook Survey, Careers360 Survey and she is the publication coordinator for ISTEP 2017.

Dr. R. Shanthi

Dr. R.Sakthivel serves as Professor, Department of Mathematics, Bharathiar University. His areas of interest include Dynamical Systems, Ordinary/Partial Differential Equations, Systems and Control Theory, Numerical Methods for PDEs, Artificial Intelligence Techniques. He was a Senior Research Fellow(CSIR)(1997), Post Doctoral researcher of Inha University, Incheon(2003), South Korea, JSPS – Post Doctoral Researcher(2005), Yonsei University, South Korea(2006). To his credit he has received many reviewer Awards in reputed journals. He is serving as an active reviewer for more than 70 reputed international journals from IEEE, Elsevier and Springer publishers. At present to his credit, he has got 220 publications in International journals (SCI & SCIE only), Total number of citations: 4327, h-index: 39, i-10 index: 118, Cumulative impact factor: 340.

Dr. R.Sakthivel

Dr. T. G. Satheesh Babu currently serves as Associate Professor in the Department of Sciences at Amrita Vishwa Vidyapeetham. His area of interest is Biosensors, Lab-on-a-Chip devices, Point of care diagnosis and Nano materials. He is Principal investigator / Co-Principal investigator for several ongoing research projects funded by various agencies such as DBT, ISRO and DST to the tune of 600 lakhs and he has successfully implemented research projects to the tune of 300 Lakhs. He has got a US Patent on the innovative technology of non-enzymatic glucose sensing using nano materials. He has been a reviewer for several journals of ACS, Elsevier, Wiley, Taylor and Francis and Springer.

Dr. T. G. Satheesh Babu

Dr. S.P. Anbuudayasankar is associated with Amrita University. He is an ardent researcher and his research interests are in supply chain management, logistics, knowledge management, marketing, organizational learning, green computing. He has published prolifically in many International and National Journals and Conferences and received the Best Thesis award for his PhD thesis. He has been on the editorial board of international journals as an Editor and Associate Editor.

Dr. S.P. Anbuudayasankar

Dr.M.Elangovan serves as Professor, Department of Mechanical Engineering, Amrita School of Engineering, Coimbatore. He has completed his M.Tech from IIT Madras in 1991. His students had won Gandhi Young Technological Innovation Award under my guidance for the year 2014. To his credit he has published in 14 Scopus indexed journals, his H index is 5, and number of citations is 91 for his research works.

Dr.M.Elangovan

Prof.B.Arthi Gandhimathi, is currently the Chief Editor of PRJ Publications, Chennai and Director(Publication), IAEME Publications, Chennai. Her areas interests include Research Paper Review, Citation analysis, and Scopus Database analysis using SPSS, Indexing, Journal Management, and Subscription Management. She has worked in multidisciplinary teams, in different faculties or schools in academia, and in different functions of business in industry. She also carries out peer reviews of written publications and presentations to validate theories.

Prof.B.Arthi Gandhimathi
