

SAMPLE TESTING CHARGES FROM 01st DECEMBER – 2019 ONWARDS

S.No.	Name of the equipment	KCT testing charges per sample (in INR..)			
		Student Internal	Student External	Academic and Educational institutions (faculty)	Industries/ National Laboratories
1	UV – Vis Double beam Spectro - photometer (only liquid samples)	50 (w/o std. preparation)	100 (w/o std. preparation)	250 (w/o std. preparation)	500 (w/o std. preparation)
2	Atomic Absorption Spectrophotometer (AAS) (including lamps)	100 (w/o std. preparation)	250 (w/o std. preparation) 350 (with std. preparation)	400 (w/o std. preparation) 700 (with std. preparation)	800 (w/o std. preparation) 1,500 (with std. preparation)
3	High Performance Liquefied Chromatography (HPLC)	100 per sample (Mobile phase & wavelength to be specified)	500 per sample (Mobile phase & wavelength to be specified)	750 per sample (Mobile phase & wavelength to be specified)	1,500 per sample (Mobile phase & wavelength to be specified)

Note:

- All the sample testing charges are inclusive of GST
- Samples for the above tests are required as per standards and specifications
