

## **KCT-Fluke Centre of Excellence in Calibration (Electro-Technical, Thermal and Pressure)**

This Lab is NABL Accredited Calibration Centre

- KCT-FLUKE Center of Excellence in Calibration Lab in association with Fluke Corporation was inaugurated on 19 January 2018. FLUKE has sponsored Rs. 13.92 Lakhs.
- Conducted Pradhan Mantri Kaushal Vikas Yojana (PMKVY) – Calibration Technician Course sponsored by the Govt. of India, Ministry of Skill Development & Entrepreneurship (MSDE).
- Training program in Calibration of measuring Instruments conducted on 20th to 22 February, 2018 for faculty members by FLUKE experts. Workshop on FLUKE Calibration uncertainty conducted on 11 & 12 May 2018 for Faculty members

## Major Equipment

1. Electro-Technical Calibration Bench
2. Temperature Calibration Bench
3. Pressure Calibration Bench
4. Fluke DAQ Temp Scanner

**This lab is utilized apart from calibrating are for**

### Odd Semester

- U17EII3202- Sensors and Measurements Lab
- U15EIP502- Industrial Instrumentation Lab
