Edition**

மதையும்தான் தோடிக்கே...!!!

காத்திருந்தேன் தான் தோடிக்காக...!

சில்லென்று காற்று வந்தது
தான் சன்னல் தூக்கிலே...!

அவ்வளவு காத்திருந்தேன் அவருக்காக...!

தென்றல் காற்று மூக்கை வந்த...!

வண்ணம் மென்தானம் திசைக்க...!

வண்ணமில் தோதை விளித்தா...!

காந்தோக்கை போன்றவையாய் அணிந்தோம்...

சிறுசிறுவன் வாழ்க்கைகள் மாடி...!!!

சிறுசிறு பணிகளை நியாயம் அளித்தோம்...!!!

மூடியில் பாதம் பதிக்கிறான் மதையுக்கான...!!!

உன் தோடி...
