

Department of **Biotechnology**

## 6 Day Online AICTE ISTE Refresher Programme on **Bioanalytical Techniques**

**Virtual Inauguration:** Friday, **23 April 2021** | 9.00 AM to 10.30 AM  
Online session Via Microsoft Teams

Chief guest - Academia

**Dr. Mukesh Doble**  
Professor Emeritus,  
Department of Biotechnology  
Indian Institute of Technology Madras

Dr. Mukesh Doble has graduated from IIT Madras and obtained his Ph.D degree in Chem.Engg from University of Aston, Brimingham, UK. His field of expertise is in drug discovery/ molecular modeling/ drug delivery, biomaterials, bioprocess and bioremediation scale up. He did his post doctoral research in University of Cambridge, UK and Texas A & M University, USA. He has to his credit published 310 technical papers in International / National journals, 10 books, 35 book chapters and 10 patents. He has also incubated two start-up companies.

Chief guest - Industry

**Dr. Ankur Gautam**  
Lab Services Manager,  
MERCK  
Merck High-End Skill Development Centre  
GNR Protein Centre Building, CSIR-IMTech  
Chandigarh

Dr. Ankur Gautam did his bachelor's from M. D. S. University, Ajmer, Rajasthan and later he earned his master's and Doctoral degrees (2010) in Biotechnology from Panjab University, Chandigarh. After his PhD, he joined CSIR-Institute of Microbial Technology (CSIR-IMTech), Chandigarh for postdoctoral research where he worked for nine years as research associate and later as project scientist. In Jan 2020, Dr. Ankur Joined Merck High-End Skill Development Centre, CSIR-Institute of Microbial Technology (IMTech), Chandigarh as scientist. Currently, Dr. Ankur is working as Lab Manager at Merck-High End Skill Development Centre, IMTech, Chandigarh.
