

NOMINATE YOURSELF NOW

Our Founder Arutchelvar Dr.N.Mahalingam Ayya was always a pioneer in recognising excellence in individuals and Kumaraguru College of Technology takes his mission forward by celebrating the shining stars among our graduating Batch of students (2017-2021 Batch) by bestowing them with the Achievers Awards who demonstrate an extraordinary feat of passion, commitment, diligence and dedication in their chosen fields of interest ranging from academics to sports.

The awards are self-nominated and here is an opportunity to showcase your milestones of acclaim by nominating yourself under six categories namely

Icon of the Batch 2021

Tech Star of the Batch 2021 - Design

Tech Star of the Batch 2021 - Innovation

Tech Star of the Batch 2021- Engineering

Sports Star of the Batch 2021

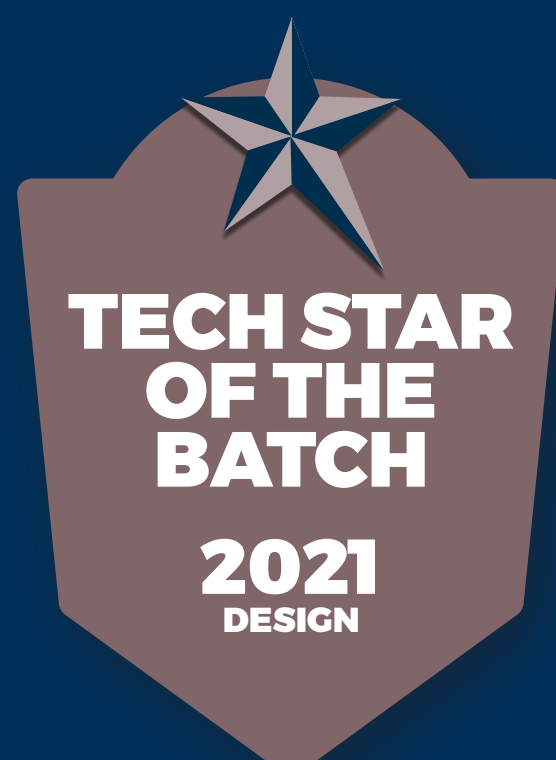

Special Recognition for the Batch 2021

The Achievers Awards Distribution is a much anticipated event during our Founder's Day celebrations every year. But this year, due to the Covid-19 disruption, we are transferring the award distribution ceremony to the virtual platform.

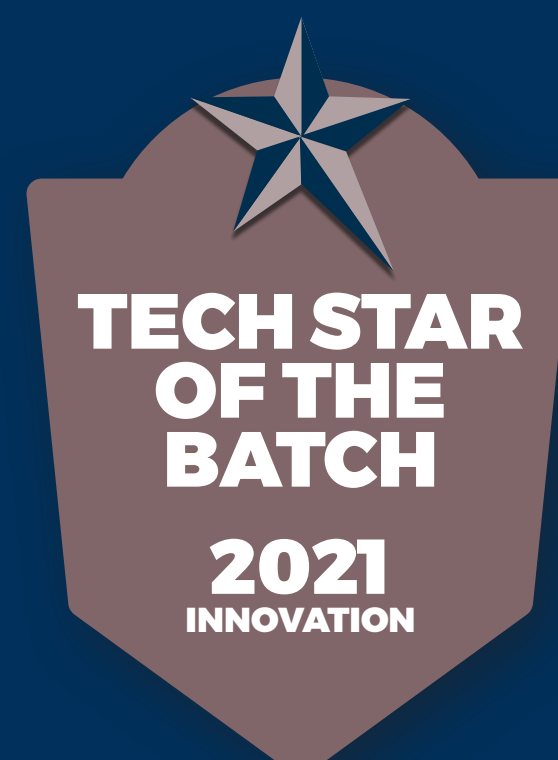

The nomination forms are being released and the final year students (UG and PG) can apply. There are six google form links given below. Do fill the form and get your name inducted into the Kumaraguru Hall of Fame!
